Hi, Bruce-

Hope all is well and that your summer is going well!

I wanted to check-in on the RAWP and mobilization schedule. I currently have beginning of October on my radar for Contractor mobilization based on the 100% RD schedule. Because we're planning and budgeting for full time oversight (of one shift/day, 5-days/week), the sooner we have a firm schedule, the better. I also had a RAWP due date of late July on my calendar, so making sure I didn't miss an email, which does happen.

Thank you!
Best,
Michelle-
